Robert M. Overstreet : The Overstreet Comic Book Price Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised The Overstreet Comic Book Price Guide:

0 of 0 people found the following review helpful. Great BuyBy Chalupa BatmanI love the Overstreet guides. They are full of tons of useful information and the price guide is a great tool. I have digital copies of the most recent issues but I have started to go back and collect the old issues to track price changes for specific issues. Really good, useful books.

A resource guide for comic book collectors features sections on the stars of the comic world since 1933, profiles of famous comic companies, essential buying and selling information, up-to-the-minute comic values, and more.
