Fantastic ReadBy JoJoEckhart Tolle is a gifted individual with a unique skill set. He has the ability to identify problems and issues that plague us all. Further, he possesses the most excellent ability to offer a workable and effective solution on the spot. I read and will re-read the cards over and over on a regular basis. The cards are a an instant fire extinguisher for anybody that obsesses about what they must do or about what will happen in the future. It's all about being here NOW.
