Roy Ritchie, Ron Stewart : The Standard Knife Collector's Guide: Identification Values before purchasing it in order to gage whether or not it would be worth my time, and all praised The Standard Knife Collector's Guide: Identification Values:

0 of 0 people found the following review helpful. BummerBy Ray SmedleyBook contains considrable info about history, development of varied styles and models, some guidance on care and maintenance.and bio of some

manufacturers. My greatest need is the assorted details of grading a knife -- especially determining a realistic market price value of a knife. This author has composed a table for chosen makes and models, followed by other tables for other details. Finally, a table to rate the condition -- which produces an estimated reasonable price for the knife. I find the first table is inadequate for any knife I presently own, by identity of the brand or comparable model, therefore all following evaluation is irrelevant. The book has no index for any section or any specific / type of knife, The book does have a section of some manufacturers and some of their current productions, but again -- I have found no listing of any knife I presently own (many of my collection are out of production - but commonly popular in general circulation). 0 of 0 people found the following review helpful. OK guidebook By Burning up in Texas Average for the general knife novice. It answers some questions but do not expect it to be a comprehensive index for knife collecting. 0 of 0 people found the following review helpful. Even More Great Books... By Shabby This series of books have loads of info, useful to both the newbie or seasoned collector, great deal and well worth the money..

This book includes virtually all knife manufacturers, both old and new: Chicago Cutlery, Holley, Belknap, Eagle, Remington, E.C. Simmons, Shapleigh, Winchester, Aerial, and Imperial, to name just a few. The guide presents a common sense system for 'total appraisal' using the RBR scales; overviews of all the major knife companies; notes on commemoratives, reproductions, and limited editions; knife clubs and organizations; numbering systems used by companies; and current collector values. More than 800 line drawings and an expanded full color photo gallery showcasing the various handle materials -- celluloid, wood, bone, abalone, ivory, metal, plastic, and more. 2002 values. AUTHOR BIO: Roy Ritchie is a noted expert on knives, and provides certified appraisals of knives and collections, as well as assists insurance companies with appraisals and adjustment evaluations. He and co-author Ron Stewart published one of the earliest books for collectors, the Kentucky Knife Traders Manual. They went on to publish the bestselling Standard Knife Collector's Guide, and later books followed: Big Book of Pocket Knives, Cattaraugus Cutlery Company, and Standard Guide to Razors. AUTHOR BIO: Ron Stewart is a noted expert on knives, and provides certified appraisals of knives and collections, as well as assists insurance companies with appraisals and adjustment evaluations. He and co-author Roy Ritchie published one of the earliest manuals for collectors, the Kentucky Knife Traders Manual. They went on to publish the bestselling Standard Knife Collector's Guide, then others like Big Book of Pocket Knives, Cattaraugus Cutlery Company, and Standard Guide to Razors. REVIEW: Standard Knife Collector's Guide: big, wide-ranging, and inexpensive. These factors have made this title one of the three or four most popular books in the knife business. With almost a hundred pages added to this edition, the new page count comes to nearly 800. The heart of this book is the extensive listing of major knife companies and brands, which provides many illustrated examples that apply the authors "RBR" system for determining a value of almost any brand of folding knife. -Knife World

The updated 6th edition of identification and values packs in black and white photos of all kinds of knives and covers their history as well as collector ratings by condition and the latest values. Knife collectors will find Standard Knife Collector's Guide a detailed, important reference perfect for identifying and assessing a collection. -Midwest Book About the Author Ron Stewart is a noted expert on knives, and provides certified appraisals of knives and collections, as well as assists insurance companies with appraisals and adjustment evaluations.
