Geoffrey T. Carlton : The Star Wars Super Collector's Wish Book before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Star Wars Super Collector's Wish Book:

0 of 0 people found the following review helpful. Five StarsBy michael w. locke good book. lots to find now! 0 of 0 people found the following review helpful. Perfect for collectors looking for pricesBy Meningitus Hard cover, pages glossy and have ever single star wars product imaginable. Things I didn't even know existed. Includes great photos which is a huge plus, the organization is appropriate in terms of the layout. There are closeup photos of variations. Great price, ease of purchase through . Product came undamaged - i'm an amateur collector and i plan on keeping this book since i'm not buying anything new 0 of 0 people found the following review helpful. A great checklist for all the stuff that we fansBy Sergio pescador A great checklist for all the stuff that we fans, but not obsessive ones would never buy, nonetheless are happy to see

Over 24,000 items with checklist-style listings, over 12,000 color photos, and accurate estimated values make this collector's guide a must-have for everybody who has ever owned merchandise produced for the Star Wars™ saga or who is selling or buying it now. Items have been collected from over 50 countries and compiled together into this impressive tome, the latest version of the longest running Star Wars identification guide series ever in print. This new edition covers the range from Advertising and Dart Boards to Squeaky Toys and Window Clings, everything, that is, except toys a category so large it will now comprise its own book. From the 1976 pre-release movie paperback through the latest Clone Wars kitchenware, thirty-five years of exciting and obscure Star Wars collectibles are archived here for you to discover, marvel over, and enjoy.

About the Author Geoffrey T. Carlton has been collecting and documenting all things Star Wars for fifteen years. His earliest 8,000 record spreadsheet was stored on a Commodore 64 floppy disk.
