**Peter Bull : The Teddy Bear Book (Limited)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Teddy Bear Book (Limited):

1 of 1 people found the following review helpful. Almost PerfectBy The IowanThis book arrived promptly and was in pretty good shape. Item is not brand new but it is in very good condition with just one small tear on the front cover, but very strong binding and easy to read. GREAT VALUE!

An illustrated history of the teddy bear, the many roles he has played, and the effect he has had on the lives of "men, women, and even children."
