Kelly Hoffman : The Unauthorized Handbook and Price Guide to Star Trek (TM)Toys by Playmates(tm) (Schiffer Book for Collectors (Paperback)) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Unauthorized Handbook and Price Guide to Star Trek (TM)Toys by Playmates(tm) (Schiffer Book for Collectors (Paperback)):

0 of 0 people found the following review helpful. Exactly what I needed!By CustomerExactly what I needed to get my collection started. Comprehensive guide to star trek collectibles from the 90's. With lots of color images, so no more searching for obscure websites to determine values. Thank you!2 of 2 people found the following review helpful. Star

Trek Manual By James Moynedonaldson This book is a must have for both fans and collectors. The best illustrated of the many ST collector books on the market. Admittedly covering just the Playmate toys it does cover all those issued including exclusives. But there are two downsides. One - I think the descriptions are a little weak sometimes, and a little more history would be nice. Two - Beware that this edition only covers the releases before the latest movie. None of the Playmate 'Star Trek - 2009' movie releases are listed. 0 of 0 people found the following review helpful. Inflation happened but great otherwise By Lester Ryan Case Prices are a bit out of date but the book is a tremendous resource otherwise. I would recommend this to any collector.

Playmates(TM) Toys produced Star Trek(TM) toys--action figures, accessories, and starships--in great abundance, beginning in 1992, and this book chronicles them all. Most of the Star Trek toys Playmates produced are displayed in over 510 photographs with descriptions and accessories, making identifications easy. Exclusive toys, limited edition statues, and collectible dioramas add depth and interest. Current market values accompany the descriptions of every Playmates Star Trek toy presented. Every fan of the Star Trek** television series and movies, and all toy and action figure collectors will want a copy of this fabulous book.

About the Author Kelly Hoffman has been collecting and dealing in Star Trek toys for many years. She is a life-long fan of the series and lives in Reading, Pennsylvania.
