Gene, Jr. Gangarosa : The Walther Handgun Story: A Collector's and Shooter's Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised The Walther Handgun Story: A Collector's and Shooter's Guide:

0 of 0 people found the following review helpful. Five StarsBy bob booleVery good1 of 1 people found the following review helpful. Great HistoryBy 1923starA lot of good information, could use more detail on dates of manufacture, some images dark and difficult to see detail.1 of 2 people found the following review helpful. Great ReadBy Greg CThis is a great book about the development of semiautomatic handguns. It helped me to understand the basic mechanisms that had been a mystery to me while providing an interesting historical perspective.
