Features photos of the majestic White Mountains of New Hampshire and Maine.

From the Back CoverThe White Mountains encompass murmuring brooks, sweeping valleys, unbridled wilderness, and snowcapped peaks. At times uncommonly verdant and at other instances unforgivingly subarctic, they are home to serene streams and forbidding glacial cirques. These twenty postcards illustrate the wonders of "the Whites" and celebrate some of the most remote country left in the Northeast. Each postcard is yours to treasure, to share, or to send.
