Mike Posgay, Ian Warner : The World of Head Vase Planters before purchasing it in order to gauge whether or not it would be worth my time, and all praised The World of Head Vase Planters:

0 of 0 people found the following review helpful. untruthful about book condition By Debbiebook was not in great condition as described, it was old and falling apart. on the receipt it states they want me to be satisfied and have an email address to send problems to, I sent them my concerns and they have ignored me 1 of 1 people found the following review helpful. Headvase history and other ceramic information By Karin Burke Interesting information about the history and markings of head vases. Disappointed in the inclusion of non-head vase information and photos. 1 of 1 people found the following review helpful. The World of Head Vase Planters By Beth Clements Very good book!! Loads of great pictures, descriptions, vintage advertisements. I really enjoyed this book, refer to it often.
