George A. Kemeny, Donald Miller : Tiffany Desk Treasures before purchasing it in order to gauge whether or not it would be worth my time, and all praised Tiffany Desk Treasures:

1 of 1 people found the following review helpful. So-so By Jonathon Jones Some nice pictures, but overall it just doesn't seem comprehensive enough picture-wise. Although another does exist that is a heck of a lot more comprehensive visually, it's way too pricey for most people's budgets. Therefore, in the meantime this will do to wet someone's initial interest. However, for the expert collector, this one just isn't going to be good enough. 0 of 0 people found the following review helpful. Five Stars By Customer Great gift..thanks 8 of 8 people found the following review helpful. The next best thing to owning a personal Tiffany collection By Midwest Book Review Collaboratively compiled and written by Tiffany experts and appraisers George A. Kemeny and Donald Miller, Tiffany Desk Treasures: A Collector's Guide is an informed and informative history of the wealthy American artist Louis Comfort Tiffany (1848-1933) and his especially crafted desk sets, as produced by Tiffany Studios and Tiffany Furnaces

between the late 1890s and 1933. Full-color photographs showcase memorable works of art, while the "reader friendly" text accessibly describes the pieces' histories and subtle nuances of their creations. A superbly organized and presented history for Tiffany antique collectors (it also includes a Catalogue Raisonne of Tiffany Studios and Tiffany Furnaces Desk Accessories), as well as a gorgeous book for connoisseurs of fine art to simply page through, Tiffany Desk Treasures is far more inexpensive than (and the next best thing to) owning a personal Tiffany collection.

This comprehensive reference provides a history of Tiffany the man, and of the wonderful desk sets produced by Tiffany Studios and Tiffany Furnaces; describes each pattern; illustrates representative examples; and lists the hundreds of known pieces with model numbers and current price ranges.

About the AuthorKemeny is a resident of Pittsburgh. Miller resides in Bradfordwoods, Pennsylvania, and Naples, Florida.
