Leslie A. Pina, Jerry Gallagher : Tiffin glass, 1914-1940 (Schiffer Book) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Tiffin glass, 1914-1940 (Schiffer Book):

0 of 0 people found the following review helpful. Five Stars By Grumpy Excellent reference - very helpful ! 0 of 0 people found the following review helpful. great reference book By Norsegal1 This book is a great reference for Tiffin glass collectors. I found it easy to read, easy to look things up, and fairly complete for its time period. 1 of 1 people found the following review helpful. Helpful and well done By L. Taylor Garito The book helped me identify some of my Tiffin pieces and introduced me to some patterns that I've added to my "want" list. Good resource and worth the money.

Tiffin was one of the giants of American glassmaking. The colorful decorative glassware from the first half of this

century is quite popular today, and this is the first book to present all color photographs of hundreds of Tiffin's products. Vases, bowls, and candlesticks in a wide variety of colors and styles, from common to rare, are all in this book, with large sections devoted to Tiffin's pressed satin glass, lamps, and baskets. This useful reference will be used by glass dealers, collectors and scholars alike. It is a great tribute to the many workers who made Tiffin glass so popular and so well.

About the Author Leslie Pina, Ph.D., is a well-known authority and author of numerous books on twentieth-century decorative arts and design.
