There's more to Fast Food Toy collecting than McDonald's.By bradice906@aol.comThis is a great reference for collectors of toys from restaurants other than McDonald's. All the "biggies" (BK, Wendy's, Arby's, etc.) are included along with more regional establishments such as White Castle and Sonic. It covers promotions through early 1994. Black white photos are included for each promo with special pages of color photos displaying a huge variety of toys.
