Kirk Hammett, Steffan Chirazi : Too Much Horror Business before purchasing it in order to gage whether or not it would be worth my time, and all praised Too Much Horror Business:

0 of 0 people found the following review helpful. A must-have graphic horror book! By Miguel Donayre I've been a Metallica fan since I'm 15 and Kirk is one of my favorite guitarrist of all time. The time I knew that he had a book with all those stories about horror and the details about his guitars I knew I wanted to have it. The book was delivered in excellent conditions. It arrived to Peru from itself. It has hardcover, looks very resistant and the paper feels that has a lot of quality. It overpassed my expectations and definitely it's going to be a wonderful add to my personal library. If you are a fan of Kirk and classic horror movies, you must have this one. 1 of 1 people found the following review helpful. Horror fans only! By Jody Cole Amazing book. If you're looking for a book about Kirk Hammett, look elsewhere. If you're looking for a book of horror porn, you have found the right book! Hammett shares a large part of

his collection (although I think he left out enough for a Part II!) some stuff you probably owned at one time or another, some stuff you would love to own and some you probably didn't know existed. He may be hoarding, but at least he's sharing. Great book at full price. An even more amazing book if you're getting it cheaper. This is better than the Christmas Sears catalogs you would spend hours drooling over when you were a kid. 0 of 0 people found the following review helpful. too much its never too much By jollygorilla amazing book... a best of the best in monster mania. a great coffin table book with loads of pictures.

Not only is Kirk Hammett the lead guitarist for Metallica, one of the most successful heavy metal bands of all time, but he's also the curator of one of the world's finest collections of monster-movie memorabilia, a collection few people have ever seen. In *Too Much Horror Business*, Kirk finally unveils his near-mythical treasure trove of rare posters, props, costumes, and toys from the early silent classics to more modern fare. From Bela Lugosi's annotated *Dracula* script to the creepy *Donnie Darko* bunny suit to cool model kits from the 1960s, Hammett has amassed hundreds of items over the years, including priceless international collectibles as well as the quirkier toys of his youth. Alongside scores of full-color, original photographs in this highly designed volume, Kirk offers up thoughts about his appreciation for all things scary and fantastic, shedding light on not only the collection of a lifetime, but the man himself. Praise for *Too Much Horror Business: The Kirk Hammett Collection*, and that's what makes it so utterly rewarding. Plus, it's damn beautiful to look at. Ultimately, this is one of the best books of the year and a true game-changer. Whether you're a Metallica fan, a horror fan, or just a reader in general, you need it." —ArtistDirect.com

About the Author For more than 25 years, Kirk Hammett has been the lead guitarist for Metallica. With the band, he has sold 100 million albums worldwide, won nine Grammys, and been inducted into the Rock and Roll Hall of Fame. He lives in San Francisco.
