THE HOLY GRAIL BIBLE OF BASEBALL CARDSBy Customerif you collected baseball cards as a kid, this is the holy grail bible for you! ever wondered what cards you didn't have looked like? now you can see, and if you still collect, this is an easy reference to search your cards out with. This book is huge and must weigh at least 20 lbs. if you are a card collector, or use to be, this is the greatest book you can have.LET ME ALSO MENTION this is so OUT OF PRINT, that if you sleep on getting this book, you may never have a chance or pay over \$100 DOLLARS for it in the future.0 of 0 people found the following review helpful. Nice Book But.....By W. M. Chapman, Jr.The pictures are very small and the writing or descriptions of the players required a magnifying glass for me. Followed by a headache1 of 1 people found the following review helpful. Five StarsBy Jolie WeldonGreat, honest and just a super experience!! Thank you

Special anniversary edition from 1951-1990This major-league classic is updated to include 40 years of the game's memorable faces. It is an indispensable collector's item; it literally lets you flip through the pages of baseball's vast, glorious history.Organized by year, the book has over 25,000 full-color reproductions of Topps cards using a high-

quality facsimile process especially developed for the purpose. Here are the lifetime statistics of over 4,000 baseball players--information on virtually every member of every team from 1951 on! And the authors have compiled year-end quizzes, a roundup of major baseball events, as well as an overview of the various stages in the development of the cards.
