Comprehensive Updated Guide To Old Tools and LocksBy Irvin GoodmanThis 1999 8 x 11" 290 page 7th edition contains 1000's of black and white pictures. Major topics range from wood and metal axes, hatchets, blacksmith, wrenches, railroad track, saws, levels, screwdrivers to farm tools. There is a very large section devoted to locks, keys and closures. Many original old catalog pages are included. The book is completely indexed for ease of use. A very useful reference work for this popular collectible.

All sorts of old hand tools included for farming, machine shops, woodworking, blacksmithing. Extensive groups of locks, keys, and closures. Many catalog pages with descriptions, sizes and original prices.

This very popular book displays hundreds of collectible tools, and now includes the Locks, Keys, and Closures supplement- originally a price guide sold alone. Axes, planes, blacksmithing tools, railroad and safe locks and keys are but a handful of the items bound within these pages. Full of information and prices, let this be the blueprint for your tool collection. -- Book Description
