**David Eccles, Cee Eccles : Traveling With the VW Bus and Camper** before purchasing it in order to gage whether or not it would be worth my time, and all praised Traveling With the VW Bus and Camper:

0 of 0 people found the following review helpful. nice packing fast dispatchBy ANTONIOSAdequate description, nice packing fast dispatch. Thanks!!!!3 of 3 people found the following review helpful. A good read.By Christian Henrik GodlundThe same author has written the excellent VW Camper- The inside story. That book deals with specifications on the different campers, while this book are more about humans, culture and adventures.This is a nice book, well written and good layout. I somehow think that it could have been more on travelling tips specific for the VW camper.Nevertheless, a good buy!0 of 0 people found the following review helpful. Five StarsBy ATHANKS

Introduced in the 1950s, the VW bus was designed to be multifunctional. Since then, it has come to symbolize fun, freedom, and adventure. VW bus owners fully incorporate their vehicles into their lives: Some treat them as an extension of their home, while others undertake epic journeys in them, across desert and sea, and through Europe, Asia, and Africa. Some strap surfboards to the roof and head for the nearest beach, while others soup up the engines and take them drag racing in California. All will spend hours restoring and customizing them and even more time talking about them with fellow bus owners. Traveling with the VW Bus and Camper is a tribute to this passion, to the owners who have lavished time, effort, and inspiration on their campers, and, of course, to the VW bus itself. This book traces the cult of the camper, from family errands to vacation home to design icon. Above all else, the campervan is living history and readers will find chapters dedicated to travel narratives detailing road trips from England to

Afghanistan and back, ad campaigns that sell the VW bus lifestyle, and weddings and other family events that feature buses in their ceremonies. Obsession or addiction? See for yourself.

About the Author David and Cee Eccles have been around VW buses since 1976, when they bought a Splitscreen Camper, gave up their teaching jobs, and spent a year living in it while traveling through Persia, Afghanistan, Kashmir, and India. From 1990, they were very active members of the Splitscreen Van Club and for ten years edited the club magazine. Dave has since written two books about the VW camper and is also editor of Volkswagen Camper and Commercial, a bimonthly magazine dedicated exclusively to the VW bus.
