From Brand: Vendome Pr : Treasures from Italy's Great Libraries before purchasing it in order to gage whether or not it would be worth my time, and all praised Treasures from Italy's Great Libraries:

0 of 0 people found the following review helpful. Five StarsBy canappleWonderful book8 of 9 people found the following review helpful. A most celestial book.By Monika BeckmanThere is only one word that can describe this book: fabulous. Its gargantuan format ensures that you can see every detail of the spectacular and beautiful

illuminations, while the text supplies informative commentary on each illustration. Although it is expensive, the size and quality of the book make it worth the price. A most excellent book.

Book by Fantoni, Anna Rita
