### Philip J. Haythornthwaite, Christopher Warner : Uniforms of the French Revolutionary Wars 1789-1802

before purchasing it in order to gage whether or not it would be worth my time, and all praised Uniforms of the French Revolutionary Wars 1789-1802:

2 of 3 people found the following review helpful. Another great work from HaythornthwaiteBy Eduardo J. Tellez  
AHaythornthwaite provides background to the French Revolutionary Wars followed by 62 pages of color illustrations keyed to 44 pages of text descriptions.A nicely illustrated look at the men who composed the French Army and the Allies, their weapons and equipment, and their tactics in combat. Six appendices provide further information on French and Prussian uniforms. New to this edition is an extended bibliography.Useful appendices, a bibliography, glossary, and index round out this book1 of 1 people found the following review helpful. The French Revolution wears it wellBy Deborah VThis 1981 book is a great addition to a library on the French Revolution. The introduction sets the stage for the 66 pages of color uniform illustrations. The pictures are detailed although the descriptions on the pages

are not. Each color plate corresponds to a description after the picture section. Although the descriptions are short, they have enough information to give you a sense of the history of the uniform and why the uniform was used and where in the war.<sup>3</sup> of 4 people found the following review helpful. A Very Worthwhile Addition to a Napoleonic Library  
By A Customer  
This book covers the uniforms as they transitioned from Frederican to the better-known Napoleonic Glory Years. These are the soldiers that forged Gen. Bonaparte's reputation in Northern Italy. Some obscure entries, too, for those miniature collectors looking, say, for a dromedary corps! Good buy!!

Featuring colour paintings, this re-issued title offers authoritative captions and introductions providing a time-reference source for historians, modellers, wargamers and re-enactors.

About the Author  
Philip J Haythornthwaite is known to all followers of matters Napoleonic as a prolific and knowledgeable source of original research. A one time bookseller, he has an extensive private collection of Napoleonic material and is the a
