**From Brand: Universe : United States Marines Scrapbook (Military Scrapbook Series)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised United States Marines Scrapbook (Military Scrapbook Series):

1 of 1 people found the following review helpful. The clear sleeves have what looks like indentations made from someone writing on top of them. By John Ernst The clear sleeves have what looks like indentations made from someone writing on top of them.....many of them had little splatter marks on them like something had been spilled or splashed on them. There is a small tear at the top of the binding.....I would have returned the book had I taken a closer look, but I had already started the scrapbook project. I was pretty disappointed. 2 of 2 people found the following review helpful. Disappointed with order. By Gloria J. Tolan Nice scrapbook but packaged very poorly. 0 of 0 people found the following review helpful. It was a gift for my son who leaves for ... By Customer It was a gift for my son who leaves for Marines boot camp at Parris island August 28th. He loves it and can't wait till fill it with his memories.

Thoughtfully designed and beautifully produced, this handsome volume gives the scrapbooker the opportunity to preserve and present the professional successes of the members — and former members — of the United States Marines. It provides a special place to keep and display photographs, mementos, letters, and stories as a personal testament to one's accomplishments. The scrapbook contains a removable section offering scrapbook-making ideas and techniques, sample projects, instructions on using the album, 20 decorative pages printed with military-inspired borders and patriotic motifs, protected in clear acetate sleeves, and 16 top-loading poly sleeves. At once sumptuous

and personal, this album provides a creative way for service personnel to remember and to display their proud history. The United States Marines Scrapbook is a keepsake for the entire family to enjoy as well.
