**Richard Helbock : United States Post Offices. Volume III. The Upper Midwest** before purchasing it in order to gage whether or not it would be worth my time, and all praised United States Post Offices. Volume III. The Upper Midwest:

This book is intended to meet the needs of those in the postal history community who have been in search of a single set of compact volumes which contain the name, county and state location, dates of operation and scarcity index value applicable to postmarks from each and every independent post office ever to have operated in the nation.
