The Brookman Price Guide is a widely used retail price guide for US stamps and postal collectibles. The 2008 edition features thousands of price changes and hundreds of new illustrations for US and Canadian stamps and US First Day Covers released from 1847-2007. The 380+-page guide also includes US Territories, souvenir cards, souvenir pages and commemorative panels. A special autograph section covers Presidents, government figures, military leaders, celebrities, athletes and more. It is the only price guide that lists autographs on cover.
