**Rosalind Cranor, Steve Templeton : Updated Price Guide to Elvis Collectibles** before purchasing it in order to gage whether or not it would be worth my time, and all praised Updated Price Guide to Elvis Collectibles:

5 of 5 people found the following review helpful. This is a really old book-By TerryMNYI am an Elvis fanatic, so anything about 'The King' is okay with me. When I saw this book and for under \$5.00, I ordered it right away. Well...my mistake, I should have checked the publishing date. It is from 1992, 16 years ago. The information is extremely dated, especially the suggested prices for the collectibles. I was very disappointed.1 of 1 people found the following review helpful. Not what I expectedBy epforeverWould have been fine if I already owned the first volume.

With out that what do I know what to look for.
