Spanning four centuries, the VA's Fashion Collection is the most comprehensive in the world, housing unrivaled collections of dress, accessories, shoes and hats from the 17th century to the present day. This revised and redesigned

edition perfectly encapsulates the collection, from rare 18th-century gowns and exquisite bodices to 1930s evening wear, post-war couture, and show-stopping ensembles by contemporary designers. Among the designers featured are Charles Frederick Worth, Madeleine Vionnet, Coco Chanel, Cristóbal Balenciaga, Christian Dior, Mary Quant, Stephen Jones, Vivienne Westwood, and Alexander McQueen.
