Sydney B. Vernon : Vernon's Collectors' Guide to Orders, Medals Decorations (with Valuations) before purchasing it in order to gage whether or not it would be worth my time, and all praised Vernon's Collectors' Guide to Orders, Medals Decorations (with Valuations):

0 of 0 people found the following review helpful. Lots of info, but datedBy Dr.L.Dated in pricing but worth the money for the book as a resource for the collector of military decorations. Some black and white photos of medals but certainly not enough. In any case, great for your resource library.0 of 0 people found the following review helpful. worked goodBy barbara jamesgreat book for itemizing and pricing medals.good quality pictures .helped us put a value on a collection that someone needed0 of 0 people found the following review helpful. Good referenceBy Music FanOne of the few trustworthy references in English, more details and pictures need (like a serires dedicated to each country). But very good.

interesting book about medals
