Maxine Nelson : Versatile Vernon Kilns Book II before purchasing it in order to gage whether or not it would be worth my time, and all praised Versatile Vernon Kilns Book II:

1 of 1 people found the following review helpful. Archaic and Outdated. By J. Dunaway Don't waste any cash on this very old version of the Feek-Nelson book. Instead, pop for the SECOND, 2004 Hardbound Edition, with gold/green cover, titled "Collectible Vernon Kilns." It's THE go-to guide for all things Vernon.

Book by Nelson, Maxine
