mr vincent flannery : volume two some thoughts on grandfather clocks chapters thirteen to twenty four (Volume 2) before purchasing it in order to gage whether or not it would be worth my time, and all praised volume two some thoughts on grandfather clocks chapters thirteen to twenty four (Volume 2):

Volume two is the second of three volumes of the kindle book "some thoughts on grandfather clocks". It is in three volumes, because of the number of pages and images. This volume covers chapters 13 to 24: Scotland: swan necks, Normandy, Lancashire, Dial Art, Late French clocks, Scotland: drumheads, Decorated cases, Switzerland, UK Round Dials, Eire, Germany, UK Short Doors.
