0 of 0 people found the following review helpful. Five Stars By Luis R Santaella Very thorough!

This is a comprehensive look at decorative walking sticks, including their use, history, and craftsmanship. Stoeber explores the rise and fall of the cane industry. A chapter on materials familiarizes the reader with the wide range of canes available. This cultural history will become a useful reference for antique dealers and collectors as well as the

beginner.

Language NotesText: English (translation) Original Language: GermanAbout the AuthorThe author is the owner of a large collection of canes.
