The Golden Touch! Starting in 1948 and over the course of 50 editions, the goal of Warman's Antiques Collectibles has remained true: to educate, appreciate, and celebrate the vast and wonderful world we collect. In this landmark edition, contributions from more than 70 leading auction houses, widely hailed experts, and dear friends across the country help to create this salute to the rare, the sublime, and the delightful. You'll enjoy insight, information, and stunning images of long-held favorites and emerging genres, as well as the whimsical and delightful that make the hobby so intriguing. In addition, to honor Warman's 50th edition, we've created a special section focused on the 1960s, a pivotal decade in American history. Celebrate with us the "Swinging 60s" and the collectibles the era spawned, from chrome kitchenette sets to pink Princess phones to Beatles memorabilia. It's all here. Big, bold and beautiful. Through 50 glorious editions, that's the Warman's advantage.
