Kp Books : Warman's G.I. Joe Field Guide: Values and Identification (Warman's Field Guide) before purchasing it in order to gage whether or not it would be worth my time, and all praised Warman's G.I. Joe Field Guide: Values and Identification (Warman's Field Guide):

1 of 1 people found the following review helpful. Mostly early GI Joes. Small, palm size. Not inclusive of all Joes, but worthwhile purchase for me. By University Doc This book is valuable for some items. It is not inclusive of all the GI Joes, but it is a worthwhile purchasing seeing how so few books out there will actually cover everything made GI Joe. It is a small book, palm size, something you can carry in a purse, backpack or large jacket pocket. All the pages are glossy and in color. It covers about one page per item. It covers mostly the early GI Joes. It does show figures outside the box and the boxed sets and shows values for mint figures and sets. Overall, for us it was a worthwhile purchase to help us judge pricing and value of GI Joes. 0 of 0 people found the following review helpful. Nice Compact Guide By B. Weiss I knew going in that this wasn't going to be the "be all and end all" of GI Joe guide books, but it is nicely put

together and full of photographs that will help you identify that big box of loose GI Joe accessories that you just found in the attic or stumbled across at a yard sale. Armed with that knowledge, it's much easier to search online and find out all the accessories that are supposed to come with the sets.0 of 0 people found the following review helpful. Five StarsBy CustomerGreat book with great information!

This handy, portable guide can easily go with collectors to car boot sales, auctions, conventions and anywhere else their quest for G.I Joe collectibles leads them. Features more than 400 spectacular full colour, detailed photos of action figures, including the vintage 12-inch model, Adventure Team G.I. Joe and the insanely popular 3 3/4 inch Real American Hero. This field guide contains current pricing, and historical tit-bits G.I Joe enthusiasts of any age will love.
