The information is very detailed and the photographs make for easy identification so I can quickly check the value of the Hummels I find in the field. Also, the compact size of this guide makes it easy to bring along everywhere and the condition, even better than "like new". Thanks for turning me on to Rocket Sales. Rocket Sales, Thanks for providing awesome service, keep up the good work. Hawkeye0 of 0 people found the following review helpful. Great CoverBy Pe-teDidn't meet my expectations regarding information on Hummels.Collected them over many years and found the publication difficult to navigateto check out individual hummels and their value.0 of 0 people found the following review helpful.
