MooreThis is a very helpful small book so anyone can check out any coin in your own collection. It is amazing what you will find in this book to help with your coins pricing and quality.0 of 0 people found the following review helpful. Handy Pocket GuideBy Book LoverThis book is an excellent compact, yet comprehensive, reference to post-1982 coins. I especially like the sections on non-circulating coins, such as the commemoratives and proof sets, but I think the best sections are the ones on silver, gold, and platinum bullion. With all the excitement about investing in precious metals, these chapters provide a good starting point.
