Arlyn Sieber : Warman's U.S. Coins Currency Field Guide (Warmans U S Coins and Currency Field Guide) before purchasing it in order to gage whether or not it would be worth my time, and all praised Warman's U.S. Coins Currency Field Guide (Warmans U S Coins and Currency Field Guide):

1 of 1 people found the following review helpful. Would Not Buy Again By Benjamin H. Snyder I would not but this book again. Although it does contain a wealth of pricing information for coins, it is very unpleasant to deal with. It is a tiny book with a spine that does not permit the book to open wide, let alone lie flat. The worst thing is the fonts. Tiny, PALE GREY (seriously) writing, against the white pages makes it very tough to read with any degree of satisfaction. 0 of 0 people found the following review helpful. Four Stars By John Uhl no comment 0 of 0 people found the following review helpful. I love this little book By SK Geise I love this little book. I bought it for a gift and the recipient likes it very much. It is very difficult to keep books for collectors of coins, stamps, etc. but these types of books do give you an idea of what your item might be worth, the condition it's in and if that would affect a cost. Definitely a nice little

volume for a fun hobby. I would recommend it for that purpose to anyone who has a coin collector in the family. Thanks!

The take-it-with you collecting resource!Featuring more than 500 color pictures and current pricing, this dynamic best-selling Field Guide to U.S. money is the most complete and compact guide on the market. You'll find:Up to date information on circulating issues, proof sets, uncirculated sets, America the Beautiful Quarters and Native American Dollars.Content and values for coins and currency from 1809 to the present, including proof and uncirculated sets, Lincoln Cents, Jefferson Quarters, State Quarters, Presidential Dollars and modern commemoratives.Investment-grade gold and silver coins.

About the AuthorArlyn Sieber is a freelance writer and editor who retired in January 2006 after a 25-year career with Krause Publications. He is a former editor of Numismatic News and Coins magazine. He has written, edited, or contributed to several numismatic books, and he has also contributed to Numismatist, the American Numismatic Association's official journal. Arlyn is a 27-year member of the ANA and the Central States Numismatic Society.
