Warren has once again done a fine job presenting his subjectBy A CustomerNow available, the current edition of Warren's price guide is once again a visual testament to the love he has for movie posters. It is clear, concise and gives fair values. If you find any errors or omissions, he welcomes you to bring these to his attention. This way, his books become more accurate upon subsequent printings. I have been waiting for a couple of years for this guide, and I was not disappointed when he sent me one.5 of 5 people found the following review helpful. Warren's Movie Poster Price Guide : Movie PosterBy A CustomerNice try, but severly outdated. Anyone would lose money selling posters at the suggested values here.

The bible of the movie poster collecting hobby. First published in 1985 and now in its fourth edition, Warren's Movie Poster Price Guide is the complete reference. Over 32,000 movie titles are arranged alphabetically. For each listing, the title, year of release, major cast, releasing company, historical notes, and current prices for the movie posters are included in an easy-to-read format. Plus, over 1,000 photos or rare posters are included for the collector's enjoyment. Leonard Maltin, of Entertainment Tonight, wrote,
