**Warman's : Washington Quarter 1932-1958 Collector's Folder (Warman's Collector Coin Folders)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Washington Quarter 1932-1958 Collector's Folder (Warman's Collector Coin Folders):

0 of 0 people found the following review helpful. Five Stars By William B. Great product just what I needed to complete my coin collection, thanks! 1 of 1 people found the following review helpful. Great Washington Quarter Collection Book By A. Orr I like the Warman Collector's Folders for their quality design. The coins are easy to insert, and the cardboard is firm. These Collector's Folders work great. 0 of 0 people found the following review helpful. Five Stars By Brandon Turcheck Got item by delivery date and like how easy the coins pop in.

The Washington quarter issued between 1932 and 1964 was the sixth and final type of circulating quarter to contain 90% silver. This three-panel folder is larger than most coin folders, featuring 75 slots for proudly displaying all the quarters of this series in one folder, instead of two. In addition, the folder features details about the design of the quarter and historical highlights about the president the coin honors. It's a great gift for helping someone discover the joy of U.S. coins.
