Whitman : Washington Quarter Folder Starting 1988 before purchasing it in order to gage whether or not it would be worth my time, and all praised Washington Quarter Folder Starting 1988:

1 of 1 people found the following review helpful. Great for Coin CollectingBy Cindy GillThe perfect book in a convenient size to hold my collection of quarters. These books have been around for a long time and I have always used them for my coin collections. Coins are easily inserted and don't fall out. Removing the coins takes a little more effort but I manage to get them out without any damage to the book.0 of 0 people found the following review helpful. Good Quality FolderBy abhailleI've started a collection for my grandson. It's a fun way to create something of value and engage new generations to develop an interest in coin collecting.The folder is strong and appears to be of high quality. Endurance counts when something is shared between generations.0 of 0 people found the following review helpful. Comes with bowed pagesBy MegrumpymeIt hold the quarters well. I have several whitman books, all of the

others were great. This one however, when i got the 1st one the pages were bowed, so i requested a exchange. The 2nd one came with the pages bowed as well. For the price might as well keep it since it works. Just wish it was the same quality as my other books

Whitman brand, folder opens flat for all-at-once viewing and includes data pertaining to the coins it holds. Washington Quarter #4 1988-1998 , 43 openings.
