**Sue Morris, Dave Morris : Watt Pottery Identification and Value Guide** before purchasing it in order to gage whether or not it would be worth my time, and all praised Watt Pottery Identification and Value Guide:

0 of 0 people found the following review helpful. Five StarsBy GMAJust as described. Shipped as promised1 of 1 people found the following review helpful. Watt Pottery collector toolBy Kenneth A. EdwardsThis is a great resource for anyone interested in buying Watt pottery. No one book can have examples of all pieces, this is a great starting point. I use the book regularly.2 of 2 people found the following review helpful. A Book On Watt PotteryBy Lynne Amon JacksonThis book is very informative. It gives one an idea of the value of a particular piece of Watt Ware. It lists all the different styles that were created. I keep it in my car in case I find a piece of Watt Ware in an antique store and wish to see how the store's price compares with the value listed in the book. It is a very good resource to have on hand.

A comprehensive guide to one of the hottest collectibles on the market. Features many unusual and one-of-a-kind pieces. Company history, over 350 photos with complete descriptions, marks, and price guide. 1998 values.

**AUTHORBIO:** Sue Morris and her husband, Dave, are co-authors of a book on Watt Pottery, in which they attempted to preserve the lifestyles of times past by documenting this American pottery company. She and her husband enjoy the challenge of collecting this unique pottery. **AUTHORBIO:** Dave Morris and his wife, Sue, are co-authors of a book on Watt Pottery, in which they attempted to preserve the lifestyles of times past by documenting this American pottery company. He and his wife enjoy the challenge of collecting this unique pottery. **REVIEW:** This book showcases the pieces from one of America's well-known pottery companies. Rare and more common pieces are shown in hundreds of full-color photos, accompanied by description, size, and marks information. A price guide is included in the back of the book.
