National Cloak Suit Co. : Women's Fashions of the Early 1900s: An Unabridged Republication of "New York Fashions, 1909" before purchasing it in order to gauge whether or not it would be worth my time, and all praised Women's Fashions of the Early 1900s: An Unabridged Republication of "New York Fashions, 1909":

0 of 0 people found the following review helpful. VERY USEFUL FOR CREATING COSTUMES By Anita Calderoni I am a docent for Virginia City, NV, USA and dress in early 1900's fashion. Being a seamstress, this book enabled me to design my costumes. Even though there is no color, you are still able to get details. These are actual pattern covers from the early 1900's. The photos give me enough detail so I can re-produce the outfit for myself. 0 of 0

people found the following review helpful. But it has a good variety of fashions (dayBy Marcia HeiserIt's a little misleading to have the fashions be from 1909 (only) and have the title be "Early 1900's." I do my research to the year, not the decade. But it has a good variety of fashions (day, evening, etc.) which is always helpful.0 of 0 people found the following review helpful. Five StarsBy L DuncanWas for my grand daughters and they loved it. Will order another.

Rare catalog describes and illustrates fashions offered by a prominent mail-order merchant shortly after the turn of the century. Captions fully describe styling, special features and trim of each item and include original prices. Invaluable resource for costume historians, fashion illustrators, graphic designers, and anyone interested in fashions of a bygone era. Approximately 725 illustrations.
