From Brand: Portfolio Press (NY) : World's Most Beautiful Dolls: Volume Two before purchasing it in order to gage whether or not it would be worth my time, and all praised World's Most Beautiful Dolls: Volume Two:

Dolls are, by definition, playthings. But the best of today's dolls are highly collectible works of art. This book traces the history of dolls and doll collecting, and takes you into the wonderful world of artists dolls, many of which sell for thousands of dollars. The stunning creations of fifty internationally renowned artists are showcased in full-colour photographs. Discover the artists and delight in their inspiring stories.
