A manly notebook journal - for guys and gals (Volume 33):

For a beautiful updated version of this journal, please see 'Your Notebook! For Manly Men.' Take off the boxing gloves and start writing. Or leave them on and come up with some interesting new shapes and letters. Here's a new journal or planner created for those who like the masculine, maybe a little roughhousing, or a glimpse into the past "when men were men." The cover features a boxing glove from 1930, a "magnetic strongman belt" tag from 1910 and a razor instruction manual from 1912. This journal packs a punch with 120 lined pages, 5.5 x 8.5" for your fun! Go ahead and write, we're not stopping you!
