**Mary Hirose : Your Notebook! 1890 Hatbox** before purchasing it in order to gage whether or not it would be worth my time, and all praised Your Notebook! 1890 Hatbox:

A beautiful hatbox about 8" tall, was necessary for keeping your hat clean and protected. That's why old houses has

such great tall shelves in their closets, don't you know. For those hatboxes. Other things like hatpins, buttons, corsets, petticoats, stockings all fit into drawers and cupboards. The stunning colors still are vibrant, after 125 years. Your writing can be like that: vibrant and true and tall, maybe hidden away, maybe displayed beautifully. Allow your words to lead the way in this gorgeous journal/planner/story notebook, wherever your heart leads...
