Mary Hirose : Your Notebook! Make New (Invisible) Friends (Volume 3) before purchasing it in order to gage whether or not it would be worth my time, and all praised Your Notebook! Make New (Invisible) Friends (Volume 3):

Our invisible friends have so much to offer, can enrich our lives in many ways if we let them. Poppycock, you say? Then you are missing half the fun that your imagination wants you to enjoy. Suspend all doubts and just imagine you

have a new friend waiting to be introduced to you. What's his name? What's her name? Or, what's it's name? Now, slowly, now, get out your pen and begin to write about his/hers/it's world. What will it do today? What makes it laugh. Arrange a meeting in a special place. Write down when and where, what happens... Repeat.
