Mary Hirose : Your Notebook! There's this boy...: And he's.. a writing prompt journal where you finish the story before purchasing it in order to gage whether or not it would be worth my time, and all praised Your Notebook!

There's this boy... And he's.. a writing prompt journal where you finish the story:

And he's.. what? Let your imagination take you into the story and write about it in these 50 pages. One single writing prompt on the outside of this journal is your jumping off point into story, song, poem, or character. Or maybe this journal becomes a special dedication to a certain boy in your life. Then it becomes a great gift idea to encourage the fun and pleasure of journaling and story writing in "that boy."
